MEDICAL CERTIFICATE OF FITNESS

RE: ENEBECHUKWU CHIDUBEM JOSEPH /MALE 28YEARS

The above named patient presented for medical checkup, and this is to certify that I have medically examined him to be physically and mentally healthy, he is not known to be a carrier of any contagious disease dangerous to public health, the following tests were done and the results were essentially normal:

Blood Group	-	O+ (Positive)
Genotype	-	AA
Chest X-ray	-	Clinical clear
PCV	-	38%
Urinalysis	-	Normal
VDRL	-	Negative
HIV 1 & 2	-	Negative
Stool Microscopy	-	No ova or parasite seen
Cerebrospinal Meningitis	-	Vaccination Taken
Hepatitis B & C Antigen	-	Negative
Pulse rate	-	69b/m

Patient is therefore certified medically fit.

Please accord him all necessary assistance needed.

Thanks.
