Dear Sir/Madam,

I, Nnadi Levi, hereby write this letter in declaration of my full financial support for my cousins Maduegbunam Augustine Amaechi and Maduegbunam Joseph Onyekach and their mother Mrs Okoli Anthonia, who has applied for Canadian Visitor Visa to enable them to attend their sister Maduegbunam Pascaline Chiamaka graduation Ceremony whom I single handedly sponsored through her two years Diploma program in Journalism at Conestoga college Kitchener, Ontario, Canada from September 05, 2023 to April 2025. I paid all her school fees and leaving expenses for two years, today she has graduated. Dreams come true.

I give the visa officer my word that all the financial implications and expenses required for their Canada visit, feeding, flight ticket, Accommodation any other expenses will be taken care by me throughout their four weeks stay in Canada.

Pascaline has always been my favourite cousin since her growing up, I have always supported her dreams and desires, so I want her mother and her two brothers to grace her day, her graduation ceremony for her to put joy on her face. She became my sole responsibility after her father died. Her two brothers will be representing her father since he is dead.

I guarantee the visa officer that I have sufficient fund to cover all their travel expenses during their four weeks stay in Canada.

I am a senior staff of Total Energies E&P Nig. Ltd, Port Harcourt, Rivers State, Nigeria. I am a citizen of Nigeria with Passport Number B50362142. I have landed properties. The funds required for their travel are at my disposal. To establish my facts, I have sent to their individual accounts some cash and I have saved some cash for their travel in one of my Zenith Bank Domiciliary account holding a closing balance of **$24,000 USD.**
